

HP Office Paper

- HP Office Paper is specially designed for versatile office printing – memos, drafts, file copies, e-mail attachments, meeting notes, handouts and datasheets. It increases productivity and minimises the need for user interventions.
- A paper solution for high volume printing.
- Use HP Office Paper and you could spend less time clearing paper jams and less money on service calls, too. That's because HP Office Paper is engineered to reduce the paper dust build-up that can cause paper jams and wear and tear on your equipment.
- HP's rigorous product qualification and testing processes assure high reliability in copiers, printers and fax machines.
